

**DIVISION OF AIR & WASTE MANAGEMENT
WASTE MANAGEMENT SECTION
MAY 2008**

SITE INVESTIGATION & RESTORATION

- Remediation of “brownfield” sites under the Voluntary Cleanup Program.
- Uncontrolled hazardous/toxic waste site investigation/remediation.
- Preparation of Hazard Ranking Scores for sites and submittal to EPA for National Priority List (NPL).
- Perform remedial investigation/feasibility studies (RI/FS) for NPL sites authorized by EPA for State lead.
- Assist EPA with activities at Federal lead NPL sites.
- Emergency removal action response at all NPL and non-NPL sites.
-
